The following is an **examiner's statement of reasons for allowance**:

The applicants' claims were allowed based upon their remarks submitted in their 11/16/09 RCE filing and response. The applicants' cement and method of making/using were determined not within the teaching of the prior art after further consideration and thus all claims are now found allowable.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

**CORRECTION OF INVENTORSHIP under 37 CFR 1.48(a):**

In view of the papers filed 3/5/09, it has been found that this application, as filed, through error and without deceptive intent, improperly set forth the inventorship, and accordingly, this application has been corrected in compliance with 37 CFR 1.48(a). The inventorship of this application has been changed by deleting Yuefeng Xu as an inventor.

**The application will be forwarded to the Office of Initial Patent Examination (OIPE) for issuance of a corrected filing receipt, and correction of Office records to reflect the inventorship as corrected.**

Inquiries may be made to Paul Marcantoni at 571-272-1373.
